SUCCESS in life depends upon persistent effort, upon the improvement of moments more than upon any other one thing.—Mary Baker Eddy.

TO STUDY mankind, is not learning to hate them; so far from such a malevolent end, it is learning to bear and live easily with them.

P-TA Issues Call For All Out Support

"Now is the time for all good parents, grandparents, aunts, uncles, cousins, neighbors, friends and everyone else to come to the aid of their children, and join the Parent-Teacher association," announced Mrs. James Barnhart of Torrance Elementary P.T.A.

"You don't have to have children to be a member, just being interested in the welfare of all children is enough," she said. Members need not live in Torrance to join. "If grandma lives in Kansas City, sign her up," advised Mrs. Barnhart.

The dues will help provide many necessities for needy children and carry the privilege of voting and deciding upon the course of action of Torrance Elementary School P.T.A. Inc. Dues will also help furnish room prizes and many other activities pertaining to the school curriculum.

"Grandparent memberships," only, will receive double credit, therefore, envelopes should be marked so that the child may receive full credit. Each membership will be credited to each child in the family.

Torrance Elementary School P.T.A. goal is 100 per cent membership.
